* Represents printers that do NOT have changeable interfaces. These come with a factory installed interface.

** Up to 24KB buffer

☺ Represents the interfaces that will work with the listed printers.

EPSON POLE DISPLAYS

- Adaptability
- Clear and easy to read
- Extensive font table
- Flash memory included
- Easy connection

Epson Pole Displays Epson Cool White

C-Codes	Description	List
B133101	DM-D110-101, ECW, Small 2x20 pole display	\$160
B133102	DM-D110-102, ECW, Small 2x20 pole display, USB	\$160
B131101	DP-110-101, ECW, Stand alone base DM-D110	\$156
B131102	DP-110-102, ECW, Stand alone base DM-D110 w/o controller	\$37
B134101	DM-D210-101, ECW, All SD Products <i>Replaces DM-D200 series pole displays, order with base</i>	\$345
B132101	DP-210-101, ECW, Stand alone base for DM-D210	\$138
B132102	DP-210-102, ECW, Stand alone base DM-D210 w/o controller	\$42
B098101	DP-105-101, ECW, Extension Pole DM-D110 and DM-D500	\$18
B113101	DM-D500-101, ECW, Display unit for all TM models IR systems <i>(need to order with a base)</i>	\$384
B115101	DP-501-101, ECW, Stand alone base for DM-D500	\$148
B115102	DP-501-102, ECW, Stand alone base for DM-D500 <i>(TM-T88II and TM-U200) without controller board</i>	\$37
B116101	DP-502-101, ECW, Pole for TM-H6000, U950, U675, (external)	\$37
B117101	DP-503-101, ECW, Pole for TM-H5000II J8000 (internal)	\$31
B118101	DP-504-101, ECW, Pole unit for IR series	\$31
A62B139101	DP-505-101, ECW, Pole unit for use with UB-S09 interface	\$37
A61B133A8990	DM-D805-101, ECW, Direct connect pole display kit with DM-D110 display	\$210

Epson Pole Displays Epson Dark Grey

C-Codes	Description	List
B133111	DM-D110-111, EDG, Small 2x20 pole display	\$160
